What is Rehabilitation?

Rehabilitation aims to restore independence after an operation, illness or injury. Through a structured program tailored to each patient, a multi-disciplinary team of practitioners will help patients get back to their best.

Rehabilitation Services

We offer the following inpatient and outpatient tailored rehabilitation programs:

- Orthopaedic Rehabilitation (e.g. hip/knee replacement, fractures, arthritic and spinal conditions)
- Neurological Rehabilitation (e.g. stroke, spinal, postsurgical conditions, Parkinson's Disease etc)
- Pain Management (Network Pain Management Provider)
- Reconditioning Program (i.e. general rehabilitation or restorative care)
- Pulmonary (Respiratory) Rehabilitation
- Sports injury rehabilitation
- Cardiac Rehabilitation
- Acquired Brain Injury Rehabilitation
- Work - Focussed Rehabilitation
- Falls and Balance
- Hydrotherapy
- Multi-trauma (e.g. work, motor vehicle or sporting accidents)
- Driving assessment
- Rehabilitation In The Home (RITH)
- Hand Therapy
- Oncology Program

Rehabilitation Options

Rehabilitation programs are provided on an inpatient and outpatient basis to ensure our patients have access to the most appropriate form of rehabilitation at each stage of their recovery.

Our Comprehensive Specialties Include:

- Rehabilitation Medicine
- Physiotherapy
- Dietetics
- Speech Pathology
- Psychology
- Neuropsychology
- Exercise Physiology
- Occupational Therapy
- Social Work
- Rehabilitation Nursing
- Pharmacy
- Podiatry
- Orthotics and Prosthetics

Making a Referral

Referrals are accepted from Medical Specialists, General Practitioners, Allied Health Practitioners and Nursing Staff. Self referrals are also accepted.

To make a referral contact us on:

Telephone: 9566 2777

Facsimile: 9566 2749

Email: vicrehab@healthscope.com.au

Funding Arrangements

We have agreements with all private health insurance funds as well as:

- Transport Accident Commission (TAC)
- WorkSafe Victoria
- Comcare
- Department of Veterans' Affairs (DVA)

Some rehabilitation programs can be self-funded. Please direct queries regarding funding to the outpatients department on 9566 2777.

We are also registered with the Medicare Enhanced Primary Care program.
